4920 Door Lock

Fingerprint

Mifare Card

Password

Machenical Key

4920 Fingerprint / Mifare Card / PIN Lock

- Britain Design
- Complex Mortise Structure, increased the durability
- PVD Coating surface enhanced the resistance to erosion, lengthened the life of the lock

Specifications

Code	Item	Statistic
1	Sensor	COMS 30Mega Pixel Color
2	Sensor Resolution	500dpi
3	Recognition time	Less than 1 second
4	FRR	≤1%
5	FAR	≤0.0001%
6	Angle For Putting Finger	Any Angle
7	Fingerprint Template	Two Scanning create one template
8	User Capacity	120 Fingerprint User
9	Static Current	<10 μA
10	Dynamic Current	< 180mA
11	Operating Voltage	4 AA alkaline batteries, DC 6.0v
12	Battery Life	Around 1 Year
13	Working Temperature	-10ºC ~ 55ºC
